Communication skills

Good communication skills gained from participating in various projects:

- 2017 (July) - participant in the national debate competition within the Debates for Development project "
- 2019 (February) - participant in the implementation of the electoral education and apolitical mobilization campaign of voters, "IESI la VOT!", organized in the context of the Parliamentary Elections of February 24, 2019.
- 01/11/2020-15/11/2021 - attending and graduating from the "STUDENTUS School of Journalism."

Leadership:

- 2019 (September) - active participant in the Forum of Young Leaders of Moldova (FYLM) carried out within the project "Activation of young people and responsible citizenship", between 12-16 September 2019.

Teamwork:

- I improved my cooperation skills between July and November (2019) as a participant in the summer school within the project "Empowering future leaders of minorities", a project created by our platform in partnership with the European Center for Minority Issues (ECMI) and is supported by the German Ministry of Foreign Affairs.
